IRON MASK FAILED TO LOWER THE GREAT SALVADOR'S RECORD

Horsemen Say He Was Worked Too Fast in First Part of Juarez Track Trial

EL PASO, Feb. 4.—Iron Mask failed ignominiously in his attempt Sunday to lower Salvador's mark for a mile, 1:25 1/2, the best the little son of Disguise II could do being 1:39 2/5, though paced by two of the fastest sprinters in his own stable.

He showed a remarkable burst of speed for the first five furlongs. There are some shrewd judges who stated after the attempt that he was sent too fast the first part of the race and that the tremendous clip he set during that stage of the race left him nothing to finish with. But as it may, the official time shows that he fairly flew over the ground the first part of the journey. Going five furlongs in 57 seconds is remarkable speed and yet that is just how fast Iron Mask was traveling in the first five furlongs of the trial yesterday.

He maintained that brilliant pace until he had passed the three-quarters and appeared to be running easily then, but after passing the three-quarters it was plain to those watching closely that the great thoroughbred was beginning to show signs of distress. Fractional time of Iron Mask's trial follows:

First eighth, :11. First quarter, :22. First three furlongs, :33 (equal to

W. Jorgensen, C. E., now on file and of record in the office of the County Recorder of Cochise County, Arizona; all said lot, to be sold separately.

SWIMMERS COMPETE IN HAWAII. SAN FRANCISCO, Feb. 4.—In order to ascertain to their own satisfaction whether the Hawaiians really possess the supremacy in aquatic sports with which they are generally credited, a team of the speediest swimmers of San Francisco and vicinity called today for Honolulu islanders in their own waters. The competitors will take place in Honolulu at the end of this month and will include events at from 50 to 850 yards and also a series of relay races.

world's record). First half, :44 3/5 (better than world's record).

First five furlongs, :57 (better than world's record).

First six furlongs, 1:10 3/5. First seven furlongs, 1:25. Mile, 1:39 2/5.

He was :28 4/5 seconds coming the last quarter.

Salvador's mile of 1:25 1/2 still stands as the world's record. Weight carried by Iron Mask, 111; J. Loftus up. First pace maker, Ed Howard; D. Ford up. Second pace maker, Bonnie Chance; A. Neylon up.

W. P. McNair, who is recognized as an authority on the racing game, was asked his opinion yesterday at the Copper Queen Hotel, by a Review reporter, on the performance of Iron Mask.

"It must be remembered that Salvador made his mile on a straight track and the Juarez track, while one of the fastest in the country, is an oval one," said Mr. McNair. "This in itself an enormous handicap. I believe Iron Mask to be one of the greatest horses that ever stood on iron and while I would not attempt to make a close criticism of his failure to beat Salvador's record without more information, the performance does not look good to me."

"There may have been a reason for it, but this is the first time in my experience, I have known of a pace-maker going out in front and interfering with the star performer as Eddie Howard and Bonnie Chance did."

"Iron Mask, ridden by a high class boy, was evidently killed off going the first five furlongs. He established a world's record for the four and five furlongs and the interference by Bonnie Chance at the 3/4 furlongs, undoubtedly had much to do with his poor showing the balance of the race."

"I am persuaded that under favorable circumstances, such as any intelligent trainer should insist upon, he can pick up the handicap and establish a world's record on the oval track. He is no sprinter, he is a distance horse and will so prove himself to anyone who doubts it."
